America's Deadliest Export: Democracy - William Blum

America's deadliest export; Democracy was not a big surprise to me since I have been aware of the nature of our bloody brutal empire for about 10 years when I was 42, but it did reveal to me some things that I was still unaware of. I devoured it. I finished it much quicker than most books I read.

America's Deadliest Export: Democracy, the Truth About US ...

"America's Deadliest Export", a collection of Blum's essays on all matters related to US imperialism, makes for an interesting and thought-provoking read, and may well produce some eureka moments for those with any vestigial attachment to the idea that the US is fundamentally a force for good in the world.
