Effective Sales Techniques: How to be Persuasive in Sales ...

Communication is the lifeblood of sales. Successfully closing deals, providing value, explaining complexities -- they all rely on your ability to express yourself clearly and persuasively. The sales email is a special breed of communication. You only have a very small window of opportunity to capture your reader's attention and convince them to move one step closer toward a purchase.

How to Write Sales Copy (and Win More Clients)

Sales people use a technique called “mirroring” to build trust between themselves and the customer. This involves analysing the customer’s body language and subtly adjusting your own to match it in certain ways. This helps to build rapport with the person you are talking to, which will then make it easier to persuade them.
